

All Kowloon Prisoners Now Landed at Manila

HUNDREDS OF INTERNEES ALSO ARRIVE

MANILA, Sept. 13—(CP) —The Empress of Anatolia arrived here today from Hong Kong bringing all the Canadian prisoners from Stoney camp at Kowloon, near Hong Kong, and several hundred British internees from Stoney camp.

They will disembark later in the day and the government will enter the 31st replacement depot where all Canadians are being kept pending their homeward voyage.

351 Canadians Now Known Safe

Defense headquarters at Ottawa Wednesday issued two lists containing the names of 34 officers and 218 other ranks of the Canadian Army missing at Hong Kong where they were captured by the Japanese Christmas Day, 1941.

Names of many of the 1,300-odd Canadian soldiers held by the Japanese have been reported in recent news dispatches from that area, but these were the third and fourth official lists. They brought to 351 the number of Canadian prisoners officially known to be safe in Allied hands.

Most of the men named in the fourth list were from the Maritime.

The third list, with official numbers and next of kin, includes:
