

Word that her husband, PTE. L. G. PATTERSON, was among the freed prisoners at Hong Kong was one of the happiest moments in the life of Mrs. Marguerite Patterson, of Plumas, Man. She received the announcement on their seventh wedding anniversary Saturday. Pte. Patterson enlisted with the Grenadiers in April, 1941, and served in Jamaica for three months before leaving for Hong Kong. Mrs. Patterson had received four letters from her husband since the fall of Hong Kong, the last written in November, 1944, and received in July of this year. They have a son, Russell, aged 6.
