

New Mail Directions For Far East Prisoners

OTTAWA, Oct. 8. — (CP) — Change in mailing address for Canadian prisoners of war arriving on the west coast was announced Saturday by army postal authorities. Letters sent to liberated prisoners from the Far East now should be addressed: Service number, rank, name, Canadian liberated P.O.W., Victoria M.P.O. 1103, B.C. The change came about because Gordon Head, former officers' training centre near Victoria, now is being used as a reception depot for the returning soldiers.
