

JAP TROPHY: That cruel-looking Jap sumarai sword holds no more fears for these two Winnipeg men, members of the Grenadiers. Aboard C.P.S.S. Princess Alice en route to Victoria, Cpl. Earl W. Dickie, 772 William ave. (left), tells Cpl. Del Fisher, 53 Charlotte st., how he "confiscated" the prized trophy. He took it from a Jap officer who had bullied his buddies for three and a half years. The 397 officers and men who reached Victoria last Friday are bringing home a fantastic variety of souvenirs, including swords, bayonets, rifles, Oriental money and cameras.—(Canadian Army Photo)
